ED 80Sf APO
Affordable/Portable

Vixen ED 80Sf
80mm/3.1" @ f/7.5
Our Smallest APO

Shown with optional
Vixen LV eyepieces

Design

This entry-level APO refractor features high-grade glass and quality components. Coupled with a medium f/7.5 focal ratio, the ED "S" series provide a sharp, color-free image of high contrast. At only 22.4", this is our ultimate grab-n-go APO travel scope. Transport is easy with padded, key-lockable travel case included with telescope. Case dimensions (including hardware) are 66cm x 31cm x 30cm / 26in x 12.2in x 7.9in. Included standard accessories make the Vixen ED80Sf the value leader in portable, affordable 80mm APO scopes. Works great with any Vixen equatorial or alt-az mount.

ED80Sf OTA SX-Trim

Comes standard with 9x50mm finder, 2" eyepiece adapter, dual T-thread flip-mirror with dual 1¼" eyepiece adapters, Crayford focuser with tension/lock adjustment, rotatable dual-setscrew eyepiece adapter with locking collar, 100mm tube rings and dovetail tube plate. **Model # TS-OR-2617**

ED80Sf on Porta Mount

The portable ED80Sf telescope comes coupled to our light-weight alt-az "Porta" mount. This is an exceptionally portable system. **Model # TS-PR-80Sf**
